## About Me

**I am an illustrator, passionate about 2D animation and storytelling.**

I illustrate, make comics, create pixel art and study the world around me. I am a perfectionist and always reach for high standards. My drive is to make a positive difference through art.

## Education

**Univerisity of Cumbria** (2017-2021)  
BA (Hons) Illustration - Pending

**York College** (2016-2017)  
Foundation Diploma in Art & Design - Distinction

**York College** (2014-2016)  
BTEC Level 3 Extended Diploma in Art & Design - Triple Distinction Star

11 GCSE's grades B - C, including B's in Mathematics, English Language, and English Literature

**References available on request.**

## Experience

Since 2020, I have been completing personal commissions alongside studies.

### **Team Member, Co-Op Food (May 2016 - September 2019)**

- Job roles: checkouts and kiosk, reductions and date checking, stocking shelves, cleaning, organising displays and customer service.
- Formally recognised for attention to detail and presentation skills.
- Leant how to calmly, maturely work with challenging people and situations.

### **Volunteer, Dove House Hospice (September 2015 - December 2018)**

- Job roles: cashier, presentation of the shop floor, label printing, organising donations, steaming clothes, customer care and assistance.
- Helped with running local events that raised money for people with life limiting illnesses. I would also take up the role of making crafts for the events.

## Skills

### **Technical**

- Adobe Photoshop
- Adobe Premiere Pro
- Adobe InDesign
- Website building with Weebly
- Microsoft Office
- Procreate
- Digital and analogue illustration
- Traditional animation
- Photography and video editing
- Embroidery and printmaking
- Pixel art and comic art
- Graphic design

### **Personal**

**I am honest, reliable and always giving 100%.** Well-mannered and considerate, I also know how to use initiative and good communication skills to bring out the best in a project or team. I am meticulous, down to earth and I care about keeping a positive mindset, always ready for the next problem-solving challenge.

## Availability

Available to start full-time or part-time work from June 2021.
